There's a new big shot in town--the Sizzix Big Shot for Stampin' Up! The Big Shot is a sturdy manual die cutting machine used to die cut materials for use on crafts, home décor projects, and even clothing--it's a big deal! You'll love what the Big Shot machine, a 6-time winner of Creating Keepsakes Reader's Choice Award for best die cutting equipment and dies, can do for you.

Design your own custom pillow appliqués using the Tulipe Bigz die or make custom fabric flowers to embellish a quilt, decorate bulletin boards, creating party favors and decorations, scrapbooking, embellishing cards. To sewing to quilting to home décor, the Big Shot is the perfect tool for many types of crafting.

The Big shot steel rules, can cut more than one sheet of cardstock and it can also cut including sheet magnet, foil, static cling vinyl, fabric, felt, thin metal, paper wood, shrink plastic and poly foam. (over 50 types of material) Learn more below:
